Dear Mr. Roffer:

Please accept my congratulations on the occasion of the Mendik Library's 44th Anniversary as a U.S. Federal Depository Library. Assuming the responsibilities of a depository library are a commendable task and the Mendik Library 44 years of continued service marks a significant milestone.

Your long-term commitment to making Federal Government information available to the public through the Federal Depository Library Program is greatly appreciated. Your partnership with the U.S. Government Publishing Office helps accomplish a Government mission as well as meet your constituent service objectives. We look forward to working with you and your staff for years to come as we all strive to provide the American public with free, easily accessible Government information.

Sincerely,

SCOTT MATHESON
